

VANTAGE®

Terms and conditions Vantage warranty

1. The warranty is for the purchaser only, it's non-transferable and not valid on second-hand equipment.
2. The warranty is not applicable in case the products have been used as rental, training or teaching equipment.
3. The warranty is only valid if the product has been used under normal conditions.
4. Warranty support will be determined only after inspection and/or analysis of the photos clearly showing the product defect.
5. If the product is covered under warranty, only repair or replacement is covered. Vantage will not cover any related costs or economic loss with the cover of warranty.

The warranty does not cover defects related to:

1. Normal wear from usage.
2. Improper use or improper installation of the products.
3. Excessive or prolonged exposure to the sun and wind.
4. Poor storage or maintenance of the product (damp or high temperature).
5. A repair or modification made to the product unless it has been done by Vantage.
6. Crash or collision.

Since the start of Vantage kites in 2019 we have been working hard to keep our warranty cases as low as possible. Our R&D team has succeeded in creating high quality products with very little to none factory defaults or design flaw. In case you experience any flaw in our product, we will look into every warranty case individually and aim to keep all Vantage riders satisfied with our products. In the case of any dispute, Vantage kites reserves the right of final judgment.
